Ground Closure Policy 2013

Summary:

In 2013, CCF Clubs will close their own grounds using the CompMan Competition Management software. Fields will need to be inspected at 6am every weekend, and if they are deemed unsafe to play – the status will be updated by club officials.

Ground Closures:

Inspect grounds at 6am- if grounds need to be closed:

1. Log into CompMan → go to System Data- ground closures:

2. Click on NEW

3. Choose your field & select the date.

The screenshot shows a web form titled "Add new Closure record". At the top right is a red close button (X). The form contains the following elements: a dropdown menu for "Field" with the text "-- please select --"; a date field showing "31" with a calendar icon; a checkbox labeled "Closed due to Weather conditions"; a section titled "Field unavailable" containing a checkbox for "Whole day" and a "Time from" field followed by "to" and another empty field; a text input field for "Comment"; a green "Save" button with a checkmark icon; and a "Record history" button at the bottom. Two red arrows point to the "Whole day" checkbox and the "Time from" field.

4. Clubs can either close the field for the WHOLE day, or "Time From... to..."
5. Press Save.
6. **Once a ground has been closed, it cannot be reopened.**
7. If you have closed the ground for CFL, DIV1 or SWL every attempt will be made to reschedule these games for the same day.

General Notes:

1. **Ground closures may be input up to a week in advance**
If the Club chooses to close the ground on a Wednesday, and by Sunday it is sunshine and perfect conditions for play – the Club takes responsibility
Continual mistakes by a club will see CCF take away ground closure privileges.
2. **Partial Ground Closures may only be for afternoon games. Clubs cannot close their grounds for afternoon whilst leaving them open in the morning.**
E.g. Clubs cannot have all SSF games play – then close the ground for the MAA/WAA afternoon games
3. **Partial Ground Closures must be accompanied by a Comment in the given text box.**
E.g. Ground Closed until 12 o'clock - will be reassessed at 10am for division 1 games.
4. **If there are any issues/mistakes made please TEXT Alex immediately – 0424 505 267**
CCF will NOT re-open grounds unless there are exceptional circumstances
The Responsibility falls with the club to ensure the ground closure policy is adhered to
