Loss of Points Procedure

Each week:

- 1) If a club is breached, they have 2 business days to respond to the breach notice sent by CCF.
- 2) If the clubs response is deemed inadequate by CCF, or no response is given, a loss of points notice will be sent out and the tables updated immediately.
- 3) The club has seven (7) days to appeal the loss of points and if upheld, the tables will be reversed.

This procedure will allow for the tables to reflect the current state and standings of the competition before the weekend round.

The following rule and regulation, 2.4.11, has been amended:
